Great! I confirmed with Greg and Craig also. I will get the meeting on the EFMC Conference Room calendar for the 14th at 1:30.

Good morning all,

Would 1:30 be okay? They have other meetings scheduled with REPA staff, etc., and the two times open were 11 and 1:30.

Best regards,

Please disregard the previous message. If 11:00 is the best time for everyone on the 14th, then I can accommodate. However, if I get a vote, I would prefer 1:00pm. Just let me know the best time for the group, and I will be available.

My calendar is open on 8/14. I'm normally in the office until about 4:30, so anytime will be fine with me.

Hi Stephen and Lance,

Wanted to see if you would be available next Wednesday, 8/14, to meet with Greg Hanna to discuss the Cedar Chemical waste stream analysis reports we provided in May? He will be in town late Tuesday afternoon for a REPA meeting and all day Wednesday.

Please let me know if you have time to meet with him on Wednesday, and if so, what time would work for you.

Thank you.
Best regards,

Kim Shultz
